PROFESSIONAL EXPERIENCE

Eduzell Technologies and Solutions

Frontend Developer Intern | 12/2023 - 9/2024

Developed responsive web applications using HTML, CSS, JavaScript, and React.js, collaborating in agile teams to design user-friendly interfaces and optimize performance; integrated REST APIs while demonstrating knowledge of backend technologies, including Node.js, Express, and database management using MongoDB; utilized Git for version control and best practices in code management.

SKILLS

Programming Languages

- HTML
- CSS
- JavaScript
- **Backend Technologies**
- React.js
- Node.js
- Express

Database Management

- MongoDB

Web Development

- Responsive Web Design
- UI/UX Design
- Tailwind CSS
- Cross-browser Compatibility

Version Control

- Git
- GitHub

APIs and Integration Tools

- REST API Integration
- Web3form
- Stripe payment

Professional Summary

Motivated and detail-oriented Frontend Developer with hands-on experience in developing dynamic, responsive web applications using React.js, Tailwind CSS, Node.js, and MongoDB. Skilled in implementing modern UI/UX design principles, integrating REST APIs, and optimizing performance for seamless user experiences. Proficient in version control using Git and deploying applications on various platforms. Eager to apply technical expertise in a collaborative, fast-paced environment to deliver innovative web-based solutions.

PROJECTS

Portfolio

Developed a responsive portfolio website to showcase skills, projects, and services with dedicated sections for "About Me," "Contact Me," and "Latest Work," built using React.js.
