SARATHKUMAR S

FRONTEND DEVELOPER USING REACT.JS

Phone: 8891440098   **Email:** sarathkumar93622@gmail.com

PROFESSIONAL SUMMARY

Enthusiastic frontend developer skilled in building responsive applications with React.js and basic backend knowledge of Node.js, Express, and MongoDB. Experienced in HTML, CSS, JavaScript, and full-stack project development. Proficient in Git, agile methodologies, and end-to-end project execution. Ready to contribute to impactful development projects.

PROFESSIONAL EXPERIENCE

Frontend Development Intern || Eduzell Technologies and Solutions | Dec 2023 - Jul 2024

- Completed an 8-month internship in frontend development at Eduzell Technologies and Solutions, gaining hands-on experience in building responsive web applications using HTML, CSS, JavaScript, and React.js.
- Developed responsive web application using the MERN stack (MongoDB, Express, React.js, Node.js), ensuring seamless user experience across devices.

PROJECTS

MY PORTFOLIO
Created a responsive portfolio showcasing my skills, projects, and services, with sections for "About Me," "Contact Me," and "Latest Work," built using React.js.
